

# **MATRONS URGENTLY NEEDED FOR HOMES**

- Do you feel called to deliver a service to the community?

- Are you passionate about working with people?

- The Kingdom Ministries Mental Health & Psychiatry (KMT) organisation ([www.mentalhealth.org.za](http://www.mentalhealth.org.za)) has various homes and projects where residence is given to inhabitants with psychiatric diagnosis, as well as multi-disabled children.
- This is a non-profit organisation and about 30% of their expenses are covered by subsidies.

- KMT currently offers a three month course free of charge to prospective Matrons with plenty opportunities for further training.

- Candidates must have management abilities and are trained to manage staff and a home for disabled people.

- Remuneration is not market-related, but meals, residence, electricity as well as R1 800 to R2 100 per month is offered as remuneration after successful completion of training and potential appointment in a position.

- Lodging is compulsory.

- Training allowance of R700 per month and limited lodging on request is offered for 3 months training period.

- Experience in this field will have preference but is not obligatory.

- Candidates who completes the course successfully can immediately apply for available jobs.
